Dear Mr. Eathone:

I have enclosed application forms to be used in applying for a Waste Discharge Permit. Please provide all the information requested and return two signed copies to this office.

The State requires a fee for each application (Chapter 173-222 Waste Discharge Permit Fees, copy enclosed). You must send \$100 with the application. No action will be taken on the application until we receive the required fee. If you need assistance in completing the forms, please call me at (206) 867-7000.
